February 2019

TIGER TIMES

Dates to Remember:
Feb, 7th: 100th Day of School
Feb. 10th-Feb. 14th: Charity Week
Feb.22nd –Feb.25th: Long Weekend

Valentine's Day is a wonderful opportunity to teach children the importance of kindness, giving and love. Valentine's Day is typically filled with hearts, candy and flowers; however this year, MHS will show the true spirit of the day by helping those in need.

As part of our program, MHS students will try new fundraising ideas that require all family members (parents, grandparents, relatives...) and friends' encouragement and engagement.

Every student will receive a sheet where they will collect signatures from all family members for pledges and next to the signature every pledging will write down how much money will they donate next to their names for the following activities:

1-Skipping the rope \ every skip means donation from a family member

2-Reading a book \ every page means donation from a family member

In addition, MHS charity drive will have a new initiative introduced daily.

Sunday, Feb. 10th: Car Boot Sale (Books/Toys). Please send your items to class teacher to be sold during breaktime by the students for L.E.10/L.E.20.

Monday, Feb. 11th: Bake Sale. Students may bring in homemade food items to sell. Items will be L.E.20 each.

Tuesday, Feb.12th: Valentine's Card on sale to raise money for charity. Students can purchase a card for L.E.20.

Wednesday, Feb.13th: MHS RUN FOR CHARITY. Every student pays L.E.20 to join the run in Shooting Club.

Thursday, Feb.14th: Students can pay L.E.30 to come to school out of uniform.

All money should be given to your child's class teacher in the morning.

All proceeds will go to help children in the "El Demerdash Hospital" by purchasing medical equipment in the name of MHS.

Happy
100
Days!

We will celebrate our 100th day of school on **Thursday, February 7th**. For this day, students will be allowed to wear an item with 100 things. Be creative!

This year MHS primary students will take our dear parents in an interesting tour "Around The World" during our **SECOND ANNUAL MHS PERFORMANCE**. More details about the date and venue will be sent in due course.
